September 2024

We are just months away from the end of the two-year 118th Congress, with so much work remaining in a time of great uncertainty and change.

But one part of my job that remains constant year-in, year-out is constituent services, helping you with your own questions and needs.

Some common areas are Social Security, Medicare, veterans and other federal benefits, immigration and taxes, but we also assist with federal grants, records, visits to DC including U.S. Capitol tours, and many other questions on government services and other matters.

If you have a question or concern and are not getting the assistance you need, we will try to help however we can.

There's more information on my Constituent Services on my website at case.house.gov, go to **How Can I Help**.

We look forward to hearing from you at the contact information on the left.

Mahalo,

Ed Case
