The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
United States House of Representatives
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Helicopter Hoist Training Simulator project in Fiscal Year 2027. The entity to receive funding for this project is the Honolulu Fire Department located at the Kalaeloa Airport, Hangar 111, 1000 Midway Road Kapolei, HI 96707.

The funding would be used for a helicopter hoist training simulator that would expand training capacity while reducing operational risk and costs. The project is an appropriate use of taxpayer funds because it would allow firefighters to safely practice mission-critical hoist operations and emergency procedures, ensuring crews remain prepared to conduct lifesaving rescues in Oahu's rural communities.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

With aloha,

Ed Case
