The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
United States House of Representatives
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Kapolei Warehouse Emergency Operations Center Renovation Design project in Fiscal Year 2027. The entity to receive funding for this project is the Hawai'i Emergency Management Agency located at 4204 Diamond Head Road, Honolulu, HI 96816.

The funding would be used to begin the design process for the emergency operations center space within a warehouse in Kalaeloa, O'ahu. The project is an appropriate use of taxpayer funds because it will ensure there is a ready, technically sound emergency operations center layout and build-out plan that can be implemented as soon as the hardening is complete.

The project has a federal nexus because the funding provided is for purposes authorized by section 614 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5196c), as amended by section 202 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (9/11 Act).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

With aloha,

Ed Case
