The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
United States House of Representatives  
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Honolulu Police Department Emergency Mobile Command Vehicle project in Fiscal Year 2026. The entity to receive funding for this project is the Honolulu Police Department, located at 801 South Beretania Street, Honolulu, HI 96813.

The funding would be used for an emergency mobile command vehicle. The project is an appropriate use of taxpayer funds because the current mobile command vehicle is over 20 years old and has been placed "out of service" multiple times due to an aging mechanical infrastructure and inability to meet today's operational demands. Without a functional Mobile Command Vehicle, the department's emergency response capabilities are compromised. The project has a federal nexus because the funding provided is for purposes authorized by 34 U.S.C. § 10152.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

With aloha,

Ed Case
