The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
United States House of Representatives  
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for Wai'anae Coast Comprehensive Health's Waipahu Clinic Expansion project in Fiscal Year 2027. The entity to receive funding for this project is the Wai'anae Coast Comprehensive Health Center located at 86-260 Farrington Highway, Wai'anae, HI 96792.

The funding would be used to expand Wai'anae Coast Comprehensive Health's Waipahu Clinic to provide additional primary care, behavioral care and social services assistance. This funding would also support the establishment of a Health and Wellness Learning Center to support Wai'anae Coast Comprehensive Health's nurse practitioner and dental residency programs. The project is an appropriate use of taxpayer funds because it would expand access to care for residents in Waipahu and help build Hawaii's healthcare workforce.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

With aloha,

Ed Case
