The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
United States House of Representatives  
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for Waikīkī Health's Clinical Upgrade and Service Enhancement project in Fiscal Year 2027. The entity to receive funding for this project is the Waikīkī Health Federally Qualified Health Center located at 277 Ohua Avenue, Honolulu, HI 96815.

The funding would be used for the upgrade and build-out of Waikīkī Health's facilities including reopening of several physician exam rooms that are in need of renovation, proper build-out of new clinical space and the purchase of new pharmacy vaccine refrigerators. The project is an appropriate use of taxpayer funds because it will increase general healthcare and immunization access in the communities served by Waikīkī Health.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

With aloha,

Ed Case
