Committee on Appropriations
U.S. House of Representatives

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Honolulu Career and Learning Center project in Fiscal Year 2024. The entity to receive funding for this project is Goodwill Hawai'i, located at 1075 South Beretania, Honolulu, Hawai'i 96814.

The funding would be used for the installation of a rooftop carport for the center's parking lot as well as the renovation of the parking tarmac and installation of new safety guardrails. Funding will repair leakage of rainwater into the facility and allow for the installation of a previously acquired photovoltaic system. This would lead to approximately \$200,000 in savings annually on energy costs which can instead be directed to providing and improving community services. The project is an appropriate use of taxpayer funds because it meets a compelling local need to provide career training services through reconstruction and rehabilitation of buildings.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

With aloha,
