The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for planning and design to connect communities from West to East O'ahu with bike and pedestrian paths.

The entity to receive funding for this project is the City and County of Honolulu Department of Transportation Services located at 650 South King Street, Honolulu, HI 96813.

The funding would be used for planning and preliminary engineering to design a safe bicycle and pedestrian path connecting communities between Nānākuli and Mānoa. This effort will inventory federal, state, and county lands and roadways and forge a 30-mile multi-use path connecting the island of O'ahu's densest neighborhoods along the south shore using a mix of new infrastructure, existing roads, and underutilized historic trails. This planning and design effort will provide preliminary engineering towards construction, which can be completed through collaboration of all involved stakeholders.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your time and consideration.

With aloha,

Ed Case
Member of Congress
