The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Water System Improvements near Kahilina Place and 'Aiea Heights Drive in Fiscal Year 2024.

The entity to receive funding for this project is the Honolulu Board of Water Supply, located at 630 South Beretania Street, Honolulu, Hawaii'i 96813.

The funding would be used to replace 3,900 linear feet of an aging potable waterline infrastructure reaching its end-of-life. The repairs will reduce instances of loss of water services in the vicinity. The project is an appropriate use of taxpayer funds because it will replace transmission and distribution pipes to prevent contamination caused by leaks and improve water pressure to safe levels.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

With aloha,

Ed Case  
Member of Congress
