Dear Chairwoman Wasserman Schultz and Ranking Member Carter:

I am requesting funding for the Fort Shafter Water System Upgrade Water System Upgrade project in Fiscal Year 2023.

The entity to receive funding is the U.S. Department of the Army, ASA-FM&C, 109 Army Pentagon, Washington, DC, 20310.

The funding would be used to replace the Army's failing water system at For Shafter in Hawai'i. It must be replaced to provide basic drinking water, ensure reliable fire suppression systems and bring the base into compliance with Environmental Protection Agency standards.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your time and consideration.

With aloha,

Ed Case
