The Honorable Mike Rogers
Ranking Member
Committee on Armed Services
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Smith and Ranking Member Rogers:

I am requesting funding for the Tripler Army Medical Center Water System Upgrade in Fiscal Year 2023. The entity to receive funding for this project is the U.S. Department of the Army located at the Office of the Assistant Secretary of the Army (Financial Management & Comptroller), 109 Army Pentagon, Washington, DC, 20310.

The funding would be used for support the planning and design work to replace the Army's failing water system at Tripler Army Medical Center in Hawaii'i. It must be replaced to provide basic drinking water, ensure reliable fire suppression systems and support physical security requirements for the military's premier medical facility in the Indo-Pacific.

I certify that neither I nor my immediate family has any financial interest in this project.

With aloha,

Ed Case
