U.S. House of Representatives

Dear Chairwoman Wasserman Schultz and Ranking Member Carter:

I am requesting funding for the Tripler Army Medical Center Water System Upgrade project in Fiscal Year 2023.

The entity to receive funding is the U.S. Department of the Army, ASA-FM&C, 109 Army Pentagon, Washington, DC, 20310.

The funding would be used to replace the Army's failing water system at Tripler Army Medical Center in Hawai'i. It must be replaced to provide basic drinking water, ensure reliable fire suppression systems and support physical security requirements for the military's premier medical facility in the Indo-Pacific.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your time and consideration.

With aloha,

Ed Case  
Member of Congress
